**SB1004      RETIREMENT SYSTEMS & PLANS; AMENDMENTS**

Several changes to statutes governing the retirement plans for elected officials (EORP), public safety personnel (PSPRS) and corrections officers (CORP). Clarifies that each incorporated city or town must submit an annual audit report of that entity's fire fighters' relief and pension fund by January 31 or be ineligible to receive its share of fire insurance premium tax monies. Other changes seem mostly technical in nature, relocating language pertaining to a person other than the member who is qualified to receive the member's pension benefits (known as an "alternate payee") and defined elsewhere as a spouse or a former spouse who has been designated in a domestic relations order.

**Current Action: May 6, 2010 signed by Governor. Chapter 231, Laws 2010.**

**SB1006      PSPRS; FUND MANAGER; NAME CHANGE**

The title of "fund manager" for the Public Safety Personnel Retirement System is changed to "administrator." Various references to "fund manager" are changed to "board of trustees." The composition of the board of trustees is increased to seven members from five, and members' term of office is increased to five years from three. Former members of the board may not advise the board. [Capitol Reports note: the PSPRS fund manager currently also administers the Elected Officials Retirement Plan (EORP) and the Corrections Officers Retirement Plan (CORP)]. The change for the Corrections Officers Retirement Plan is conditionally effective on July 1 of the year that follows the June 30 actuarial valuation of CORP that determines the plan is 100% funded.
