

PSPRS/CORP Cancer Insurance Program

Annette Jorgensen
Insurance Team Lead

Introduction

- The Cancer Insurance Program (CIP) was first created in July 1997 for firefighters to assist with treatment costs
- Peace officers were added in July 2007
- Corrections officers were added in July 2014

Employers' Responsibilities

- Ensure all eligible members are aware of this program
- PSPRS employers are emailed an annual bill in July/August that must be paid on time (remember to include cost in annual budget)
- CORP employers should make sure every new hire is given the opt-in form within 30 days of being hired
- For more information about how to set up CORP employees please contact our office

Who is Eligible?

PSPRS members and retirees:

- All active members
- PSPRS retired members who have not exhausted the 5 months of coverage, at no cost, for every year of credited service
- Retired members who have exhausted the “no cost” period may elect to continue coverage if they had a diagnosis of cancer and pay the annual premium

CORP members and retirees:

- Active members who elect coverage that are under an employer that has opted in
- CORP retired members must contact our office for eligibility
