PSPRS/CORP administers retirement benefits in the Defined Benefit Plan (DB Plan), wherein retirement benefit payments are determined using a formula based on salary, years of service and the age of the member and beneficiary, as applicable. PSPRS/CORP also administers a 401(a) Public Safety Personnel Defined Contribution Retirement Plan (PSPDCRP or DC Plan), managed through Nationwide Retirement Solutions (www.psprsdcplan.com), in which benefits are determined based on employee/employer contributions and investment earnings on those contributions.

As a participant in CORP, plan provisions are determined based on the membership (hire) date with a participating employer:

Tier 1 Members DB Plan Only	Tier 2 Members DB Plan Only	Tier 3 Members DB and DC Plans
Hired into CORP position before January 1, 2012	Hired into CORP position on/after January 1, 2012	Hired into CORP position on/after July 1, 2018

Average Monthly Salary

Salary means the base salary, shift differential pay, military differential wage pay and holiday pay paid a member for personal services rendered in a designated position to a participating employer on a regular monthly, semimonthly or biweekly payroll basis. Salary includes amounts that are subject to deferred compensation or tax shelter agreements. Salary does not include payment for any remuneration or reimbursement other than as prescribed by this paragraph. For the purposes of this paragraph, "base salary" means the amount of compensation each member is regularly paid for personal services rendered to an employer before the addition of any extra monies, including overtime pay, shift differential pay, holiday pay, fringe benefit pay and similar extra payments. A.R.S. § 38-881(7 and 43).

Tier 1 DB Members	Highest average of 36 consecutive months of salary within the last 10 years of service. A.R.S. § 38-881(7)(a)(i)
Tier 2 and Tier 3 DB Members	Highest average of 60 consecutive months of salary within the last 10 years of service. A.R.S. § 38-881(7)(a)(ii and iii)

Benefit Increase

Tier 1, 2 and 3 DB Members: Cost of Living Adjustment (COLA) increase for correction officer retirees and survivors is determined based on the Consumer Price Index (CPI) published by the U.S. Bureau of Labor Statistics for the metropolitan Phoenix-Mesa-Scottsdale area ending December 31 of the prior calendar year. Contingent on the CPI, **up to 2%** may be paid as a COLA.

For NEW retirees and survivors with a retirement date after July 1 of the prior fiscal year, the increase is prorated based on the date of retirement. A.R.S. §§ 38-905.05 and 38-905.06.

Additional Requirement for Tier 3 DB Members: The increase will be payable after 7 years of retirement, or at age 60, whichever is first, and will be determined based on the funding level of the CORP. A.R.S. § 38-905.06.

Funding Level	Increase
70% to < 80%	1.0% cap
80% to < 90%	1.5% cap
90% or more	2.0% cap

Cancer Insurance

The Public Safety Cancer Insurance Policy Program is administered by PSPRS for eligible fire fighters, certified peace officers, corrections officers, detention officers, or other members as defined by statute. A.R.S. §§ 38-641 through 38-645.

Contributions

During your career and as a requirement of membership, you must contribute a percentage of your pensionable wages each paycheck. Your contribution rate may vary each fiscal year depending on your Membership Tier and if you are in the DB or DC Plan. For contribution rate information, please visit our website. A.R.S. §§ 38-881, 38-891, 38-865 and 38-868.

Tier 1 and 2 DB Members: For contribution rate information, visit our website.

Tier 3 DB Members of AOC Probation/Surveillance who Elect to Participate in the DB Plan: The contribution rate varies each fiscal year. For contribution rate information, visit our website.

Tier 3 DC Members of Correction/Detention, plus AOC Probation/Surveillance who Elect to Participate in the DC Plan: A member may elect a contribution rate as low as 5% and as high as the IRS limit; default rate is 7%, plus an additional 0.7% disability contribution rate. Employees who elect to participate in the group health benefits plan will be required to share the cost of participation (as determined by actuarial valuation) equally with their Employer. (For more information, see "Health Insurance" section.) A.R.S. §§ 38-867(G) and 38-869.

Credited Service

Tier 1, 2 and 3 DB Members: Your eligibility to receive a pension under the DB Plan is based on your total service within the Plan; however, your pension benefit is calculated using your "credited service," which is service time that the Plan has received contributions. If you have any pay periods during an unpaid leave (i.e., leave without pay), it is not considered credited service and cannot be used towards the calculation of your benefit. A.R.S. § 38-881(11).

Death Benefits

Tier 1, 2 and 3 DB Members: Pursuant to statutes, an AUTOMATIC survivor benefit will pay your eligible spouse and eligible child(ren). If there is no eligible spouse or eligible child(ren), the balance of the applicable contributions, if any, will be paid to the named beneficiary(ies) on file. If there is no beneficiary, your Local Board will determine the next-of-kin. A.R.S. § 38-904(A).

Tier 3 Members within the First 90 Days of Employment: If the employee was killed in the line of duty, the surviving spouse will receive a surviving spouse pension based on the calculation for a DB Member (100% of the average monthly compensation at the time of death). A.R.S. § 38-881.01(D).

Tier 3 DC Members: If the employee was killed in the line of duty, the surviving spouse will receive a surviving spouse pension based on the calculation for a DB Member (100% of the average monthly compensation at the time of death) reduced by an amount equal to the monthly annuitized value of the annuity account.

Tier 3 DC Members Dies before 3 Years of Service: Employer contributions are immediately vested. A.R.S. § 38-867(K).

Note: Divorce automatically terminates the ex-spouse for a surviving spouse pension; however, to maintain an ex-spouse as a beneficiary of any remaining contributions on account, you **must** complete a *Beneficiary Designation Form* after the date of the divorce. A.R.S. § 14-2804.

Eligibility

Spouse: For retired members, statute requires two consecutive years of marriage at the time of the members death. Proof of recorded/filed marriage license/certificate is required. A.R.S. § 38-887.

Child(ren): Biological or legally adopted children who are unmarried, under the age of 18, and/or attending school full-time between the ages of 18 to 23, which also includes disabled children (disability occurred before the age of 23), and who is a dependent of the member.

ACTIVE Member for Tier 1, 2 and 3 DB Members

Spouse's Pension: The surviving spouse of an active member will receive a Spouse's Pension each month for his/her lifetime. The Spouse's Pension is 40% of the member's average monthly salary or 80% of what the member's pension would have been on the date of death had the member been retired, whichever is greater. If the member was killed in the line of duty, the spouse will receive 100% of the member's average monthly benefit compensation. A.R.S. § 38-888.

An eligible Child's Pension shall become payable directly to the eligible child when the eligible child reaches the age of 18, if the person remains eligible to receive the pension and is not subject to a guardianship or conservatorship due to disability or incapacity. A.R.S. § 38-904(B).

If a Guardian Benefit is paid to a disabled child (the child's disability occurred prior to the age of 23) and remains a dependent of the guardian, the benefit is payable for the lifetime of the child. A.R.S. § 38-904(B).

OR

Balance of Contributions: If there is no surviving spouse or eligible child(ren), the member's named beneficiary on file will receive two (2) times the member's contributions. If the surviving beneficiary does not claim the benefit, the Local Board has the authority to pay the member's nearest of kin, or estate. A.R.S. § 38-904(A and B).

An eligible Child's Pension shall become payable directly to the eligible child when the eligible child reaches the age of 18, if the person remains eligible to receive the pension and is not subject to a guardianship or conservatorship due to disability or incapacity. A.R.S. § 38-904(B).

If a Guardian Benefit is paid to a disabled child (the child's disability occurred prior to the age of 23) and remains a dependent of the guardian, the benefit is payable for the lifetime of the child. A.R.S. §§ 38-881(19) and 38-904(B).

OR

Balance of Contributions: If there is no surviving spouse or eligible child(ren), the member's named beneficiary on file will receive the balance of the member's accumulated contributions less the pension payments made to the member. *If the retiree was receiving benefits under a "prior law," the surviving spouse benefits are contingent based on the option the member selected upon retirement. To find out the option the member selected, please reference the prior law section of the *Notification of Benefits and Election* (Form C12).

Disabilities

After January 1, 2022, the Board of Trustees is provided authority to seek Uniform Medical Review of a Disability determination by a Local Board. A.R.S. § 38-847.03.

Accidental

A physical or mental condition which totally and permanently prevents an employee from performing a reasonable range of duties within the employee's department that was incurred in the performance of the employee's duties that was not the result of a physical or mental condition that existed or occurred before the employee's date of membership in the Plan. A member shall file an application for a disability pension after the disabling incident or within one year after the date the member ceases to be an employee and employment is terminated by reason of disability. Eligibility for an accidental disability will be determined by the Local Board upon an independent medical examination. A.R.S. §§ 38-881(1) and 38-886.

Up until the member reaches normal retirement, the Local Board may require periodic medical re-evaluations of the continuation of the accidental disability. If the Local Board finds the retired member no longer meets the requirements for the disability benefit, the disability benefits will cease. A.R.S. § 38-886.

Tier 1 DB Members:

- Less than 20 years of credited service: average monthly benefit compensation x 50% = monthly benefit.
- 20 or more years of credited service: average monthly benefit compensation x 50% plus 2% for each year of credited service over 20 = monthly benefit.
- 25 or more years of credited service (max 32 years): average monthly benefit compensation x 50% plus 2.5% for each year of credited service over 25 = monthly benefit.

Tier 2 DB Members:

- Less than 25 years of credited service, the monthly benefit is 50% of the member's average monthly compensation.
- 25 or more years of credited service, the monthly benefit is 62.5% of the member's average monthly compensation.

Tier 3 Members within the First 90 Days of Employment: If in the first 90 days of employment an employee is determined to be eligible for a disability (ordinary is not permitted), the employee shall be automatically enrolled in the Tier 3 DB Plan for the remainder of the employee's employment with any employer under the Plan. A.R.S. § 38-881.01(C).

Tier 3 DC Members: If the employee is determined to be eligible for a disability (ordinary is not permitted), the calculation is determined based on a Tier 3 DB Member reduced by an amount equal to the monthly annuitized value of the annuity account. A.R.S. § 38-870.06(B).

Taxability: If the member has less than 20 years of service, this benefit is considered non-taxable income for lifetime. If greater than 20 years of service, 50% of the average monthly salary is non-taxable for lifetime, plus previously taxed monies (if applicable) based on the "Safe Harbor" method are considered non-taxable income.

Total and Permanent

A physical or mental condition which totally and permanently prevents a member from engaging in any gainful employment, that is in the direct and proximate result of the member's performance of the employee's duties and is not the result of a physical or mental condition or injury that existed or occurred before the member's date of membership in the Plan. A member shall file an application for a disability pension after the disabling incident or within one year after the date the member ceases to be an employee and employment is terminated by reason of disability. Eligibility for a total and permanent disability will be determined by the Local Board upon an independent medical examination. A.R.S. §§ 38-881(45) and 38-886.

Up until the member reaches normal retirement, the Local Board may require periodic medical re-evaluations of the continuation of the total and permanent disability. If the Local Board finds the retired member no longer meets the requirements for the disability benefit, the disability benefits will cease. A.R.S. § 38-886.

Tier 1 DB Members: The monthly benefit is 50% of the member's average monthly compensation. (There is no credited service requirement.)

Tier 2 DB Members: For members with less than 25 years of credited service, the monthly benefit is 50% of the member's average monthly compensation. For members with 25 or more years of credited service, the monthly benefit is 62.5% of the member's average monthly compensation.

Tier 3 Members within the First 90 Days of Employment: If in the first 90 days of employment an employee is determined to be eligible for a disability (ordinary is not permitted), the employee shall be automatically enrolled in the Tier 3 DB Plan for the remainder of the employee's employment with any employer under the Plan. A.R.S. § 38-881.01(C).

Tier 3 DC Members: If the employee is determined to be eligible for a disability (ordinary is not permitted), the calculation is determined based on a Tier 3 DB Member reduced by an amount equal to the monthly annuitized value of the annuity account. A.R.S. § 38-870.06(B).

Ordinary

A physical condition which totally and permanently prevents an employee from performing a reasonable range of duties within the employee's department, or a mental condition that totally and permanently prevents the employee from engaging in any substantial gainful activity and was not the result of a condition that existed or occurred before the employee's date of membership in the Plan. Dispatchers disabled on/after September 21, 2006 and non-dispatchers disabled on/after September 26, 2008 may qualify for an ordinary disability. A member shall file an application for a disability pension after the disabling incident or within one year after the date the member ceases to be an employee and employment is terminated by reason of disability. Eligibility for an ordinary disability will be determined by the Local Board upon an independent medical examination. Additionally, the member cannot be eligible for a normal retirement. A.R.S. §§ 38-881(30) and 38-886.01.

Up until the member reaches normal retirement, the Local Board may require periodic medical re-evaluations. Ordinary disability terminates if the Local Board finds the retired member no longer meets the requirements for the disability benefit. A.R.S. § 38-886.01.

Tier 1 DB Members: The monthly benefit is a percentage of normal retirement based on the employee's years of credited service divided by twenty (20) (except a full-time dispatcher, the service requirement is 25 years).

Tier 2 DB Members: The monthly benefit is a percentage of normal retirement based on the employee's years of credited service divided by twenty-five (25).

Divorce / Domestic Relations Order

If the member has been involved in a divorce(s), please provide CORP with a complete copy of the Divorce Decree(s) and any attachments or exhibits if referenced in the Decree(s). Upon receipt, additional correspondence will be provided to the parties. If the retirement account is required to be divided with a member's former spouse, a Domestic Relations Order (DRO) is legally required and will need to be prepared. To ensure that the language in the DRO is acceptable, it is recommended that a draft of the DRO be provided to CORP for review and approval prior to submitting it to the court. A.R.S. § 38-910.

Eligibility

Designated positions for the following employers who elect to join the Plan are eligible to participate in CORP if the employee's customary employment is for at least forty (40) hours per week, or as defined by statute. A.R.S. § 38-881(13 and 27):

- For a County: A county detention officer and non-uniformed employees of a sheriff's department whose primary duties require direct inmate contact.

Dispatchers hired after November 24, 2009 must participate in the Arizona State Retirement System. A.R.S. § 38-902(C).

Garnishments

As permitted by statute and upon receipt of acceptable legal documentation directing our office, if the member is retired, we may withhold from a member's retirement (or disability) benefit for child support payments, Domestic Relation Orders and/or Tax Levy from the State of Arizona or Internal Revenue Service (IRS). However, if we receive any other garnishment or judgment, or receive any garnishment or judgment for a member who is currently active and contributing, we will take it under advisement with the PSPRS General Counsel and/or Arizona Attorney General's Office. A.R.S. § 38-897.

If you are retired (or receiving a disability retirement) and your child support payments are expected to stop, the Department of Economic Security (DES) or county court will be required to provide our office with a stop order (i.e., Order Stopping Order of Assignment or Termination of Income Withholding Order, etc.). Additionally, if your Tax Levy is expected to stop, it is required that we receive a Release of Levy from the State of Arizona or IRS.

Please note that child support and tax levy payments are taxable income to you. Therefore, if you would like to make any changes to your Federal and/or State withholding, you may access the withholding forms from the PSPRS website at <http://www.psprs.com/>. Benefit payments issued to an ex-spouse become taxable income to the ex-spouse; however, for additional information pursuant to the Domestic Relations Order, please refer to the "Divorce and Domestic Relations Order (DRO) FAQ" on the PSPRS website here: [Divorce & Legal Topics | PSPRS](#).

Our cut-off to process any changes to your account is the 10th of the month. If the orders are received by DES, county court or State of Arizona/IRS by the 10th of the month, the change will occur with the payment paid at the end of that month. If received after the 10th of the month, the change will occur with the payment at the end of the following month.

Health Insurance

As a new retiree, retired member, or as an eligible surviving spouse of the Plan, you may elect group health insurance and/or accident insurance coverage through Arizona State Retirement System (ASRS), Arizona Department of Administration (ADOA), or a group plan through an employer of the PSPRS, as applicable. A.R.S. §§ 38-906, 38-651.01 and 38-782.

Tier 1, 2 or 3 DB Members: By selecting one of the above-stated group insurance plans, you may be entitled to a Premium Benefit (subsidy) to help offset your medical and/or dental premium costs. (If you elect insurance coverage through a private entity, we cannot apply the subsidy to the private insurance coverage.) Based on your elections and coverage level, the Plan may pay up to the following subsidy amount, not to exceed your total monthly premium cost(s) for medical and/or dental:

Without Medicare		With Medicare A & B		Retiree & Dependents	
Retiree Only	Retiree & Dependent(s)	Retiree Only	Retiree & Dependent(s)	Retiree & Dependents One with Medicare, the other(s) without	Retiree & Dependents with Medicare, other dependents without
\$150.00	\$260.00	\$100.00	\$170.00	\$215.00	\$215.00

Retirees with a membership (hire) date prior to September 13, 2013 who meet the "Returning to Work after Retirement" qualifications and who are re-employed by a participating CORP employer or who participate under ADOA group insurance plan, may be eligible to have their active medical/dental insurance subsidized (*retroactive to September 2013*) up to the amount of the premium, but no more than the amount as allowed by statute. A.R.S. § 38-906.

New members with (or a survivor of the plan whose deceased spouse has) a membership (hire) date on/after September 13, 2013 who retire and later become re-employed with a CORP employer and participate in active health care coverage provided by a CORP employer will not be eligible to apply the CORP Premium Benefit towards their active health care coverage. A.R.S. § 38-906.

If a law enforcement officer, as defined in A.R.S. § 38-1114, is killed in the line of duty, the eligible surviving spouse or dependent(s) are entitled to insurance benefits either by the former employer, or from the state retirement system from which the spouse or dependent is receiving benefits. The health insurance premium amount payable by the employer of the deceased law enforcement officer is the amount the employer of the deceased law enforcement officer would pay for an active law enforcement officer for a family coverage premium or single coverage premium, whichever is applicable. For additional eligibility requirements, refer to A.R.S. § 38-1114.

Tier 3 DC Only Members: As a retired member or disability recipient of the DC Plan, you may elect group insurance from ASRS, or ADOA if eligible, but you will be responsible for the full cost of the premium(s) under these plans. By selecting one of the above-stated group insurance plans and if you elected (while an active contributing member) to participate in the group health benefit plan you may be entitled to a Premium Benefit (subsidy), to help offset your medical and/or dental premium costs as shown in the table above. (If you elect insurance coverage through a private entity, we cannot apply the subsidy to the private insurance coverage.) (For more information, see "Contributions" section.) A.R.S. §§ 38-906, 38-651.01, 38-782 and 38-869.

A Local Board may enter into an intergovernmental agreement with other Local Boards to consolidate the boards for the respective employers. The consolidated Local Board shall work with CORP to ensure that the new board's composition is consistent with the representation outlined in section 38-893, subsection A and that all appointments or elections for Local Board members are completed in a timely manner. The consolidated Local Board shall decide eligibility for membership, disability and in the line of duty death benefits and have all of the duties and responsibilities of a Local Board pursuant to A.R.S. § 38-893.01.

The CORP can assist members seeking contact information for the Local Board Secretary or representative.

	80 point rule (age plus service) and membership date is prior to 8/9/2001	Average monthly salary x each year of credited service x 2.5% (maximum 75% of average monthly salary).

Tier 1 DB Members – Deferred Annuity

Inactive members (not making contributions) who have at least ten (10) years of credited service may elect to receive a Deferred Annuity at the age of sixty-two (62). This annuity is a lifetime monthly payment that is actuarially equivalent to the member's accumulated contributions in the Plan plus an equal amount paid by the employer. This annuity is not a retirement benefit; it is an annuity and, because of this, annuitants are not entitled to survivor benefits, benefit increases, subsidy (premium benefit), or participation in the group health insurance program. A.R.S. § 38-911(A).

If the death of an inactive member occurs before becoming eligible for a Retirement or Annuity benefit, the member's named beneficiary on file will receive two (2) times the member's contributions. A.R.S. § 38-904(B).

Tier 2 DB Members - Retirement

Pursuant to A.R.S. §§ 38-881 (7, 11, 27, 28, 41 and 43) and 38-885, retirement benefits will commence the first day of the month following termination of employment and based upon the following:

Age	Service	Calculation
62	10 years	Average monthly salary x each year of credited service x 2.5%.
52.5	25 years of service, but less than 25 years of credited service	Average monthly salary x each year of credited service x 2.5%.
52.5	25 or more years of credited service	Average monthly salary x 62.5% plus 2.5% of the average monthly salary x each year of credited service over 25 (maximum of 7 years).

Tier 2 DB Members – Deferred Annuity

Deferred Annuity is not available to Tier 2 Members; however, employees who became a member on or after January 1, 2012 who attain the service requirement for a normal retirement, but does not meet the age requirement, may elect to leave contributions on account until reaching the age requirement and then elect to receive a retirement benefit, which would include eligibility for survivor benefits, benefit increases and group health insurance subsidy. A.R.S. § 38-911(B).

If the death of an inactive member occurs before becoming eligible for a retirement benefit, the member's named beneficiary on file will receive two (2) times the member's contributions. A.R.S. § 38-904(B).

Tier 3 AOC Probation and Surveillance Officers DB Members

Pursuant to A.R.S. §§ 38-881 (7, 11, 27, 28, 41 and 43), 38-885.02 and 38-885, retirement benefits will commence the first day of the month following termination of employment and based upon the following:

Age	Credited Service	Calculation
52.5 Early Retirement	10 years of credited service	Actuarially reduced benefit based on the average monthly benefit compensation x credited service x multiplier (below).
55 Normal Retirement	10 or more years of credited service	Average monthly benefit compensation x credited service x multiplier up to a maximum of 80% of the average monthly benefit compensation.

Return to Work after Retirement

Pursuant to §§ 38-884, 38-886 and 38-886.01: Making the decision to return to work with a participating CORP employer after retirement should be considered carefully as it may have an effect on your pension benefit. Below are guidelines regarding returning to work after you have retired:

- 1) You may become re-employed in a CORP designated position by the employer from which you retired and continue to receive a pension **if the employment occurs six (6) months or more after your effective date of retirement.** If you have met the six months or more break, during your reemployment you will continue to receive your pension benefits, but you cannot contribute to the Plan and cannot accrue any credited service. Additionally, the CORP employer who reemploys you will be required to pay to the Plan an Alternate Contribution Rate (ACR). Members cannot receive the ACR or service credit based on the ACR.
- 2) If you become employed by the employer from which you retired in a CORP designated position **before six (6) months** of your retirement, **your retirement will be suspended** and will remain suspended during your re-employment, as well as an overpayment of retirement benefits may occur. When you terminate your re-employment and resume your retirement benefits, you will receive the same pension benefit that you were receiving when your benefits were suspended. Additionally, the employer will be required to pay to the Plan an Alternate Contribution Rate (ACR). Members cannot receive the ACR or service credit based on the ACR.
- 3) If you subsequently become an elected official by election or appointment, it is not considered reemployed by the same employer and retirement benefits will not be suspended.
- 4) If you are receiving a disability retirement (and have not reached normal retirement), in order to return to work with a participating employer in a CORP designated position the following conditions apply:
 - The local board from the employer in which you are receiving the disability benefit will need to review and determine your return to work eligibility. If approved to return to work, your pension will be terminated.
 - During your reemployment in a CORP designated position you will be required to contribute to the Plan.
 - Your service will be reestablished and will be used in determining your future retirement benefit when you become eligible and make application for normal retirement.
 - The time during which you were receiving a disability pension will be considered “service” and not “credited service” and your average monthly salary will be based on the salary from the new employment.
- 5) At the time of retirement, you cannot have an implicit or explicit pre-existing agreement with your employer from which you retired, whether written or verbal, to return to work, in any capacity. Your employer must be able to demonstrate that a bona fide termination of employment occurred.

As with all benefit determinations, your Local Board from your current employer must review and determine your eligibility for your pension should you return to work after retirement and will also need to detail their decision in the Local Board meeting minutes as well as provide the CORP with the necessary documentation to review your eligibility; otherwise, your retirement benefits may be suspended pending CORP review.

If a retired member returns to work in any capacity in a designated position ordinarily filled by an employee, the employer is required to pay an **alternate contribution** rate (ACR) to the CORP. For the fiscal year, the ACR is based on the individual valuation for each employer participating in the CORP. The ACR will not be less than 6%. A.R.S. § 38-891.01.

Reverse DROP (Reverse Deferred Retirement Option Plan)

CORP Tier 1, 2 or 3 DB Members: Who are not awarded an accidental, ordinary or total and permanent disability pension, who are eligible for a Retirement Benefit that have at least 24 years of credited service as a non-dispatcher, or 25 years as a dispatcher, may elect to participate in the Reverse Deferred Retirement Option Plan (Reverse DROP). Reverse DROP is an optional benefit program allowing members the opportunity to receive a one-time lump-sum payment (from 1 to 60 months) at the time of retirement in addition to their monthly retirement benefit. The calculation for the monthly retirement benefit and Reverse DROP payment is based on the member's service and salary at the time of participation and the lump-sum payment is credited as though it accrued monthly from the Reverse DROP date to the date the member elected to participate (plus interest equal to the yield on a 5-year Treasury note as of the first day of the month as published by the Federal Reserve Board). Neither the member nor the employer are entitled to a refund of contributions made between the Reverse DROP date and the date the member elects to participate in Reverse DROP. It is important to note that if a member elects to participate in Reverse DROP, their credited service cannot go less than 24 years as a non-dispatcher, or 25 years as a dispatcher; see examples below to better understand this calculation. A.R.S. § 38-885.01.

Example 1) If a non-dispatcher works to 25 years of service, they can only elect a lump sum payment from 1 to 12 months because they cannot go less than 24 years of service credit. So if the member elects a 12-month lump sum payment, the monthly retirement benefit and lump sum payment will be calculated based on the service and salary when the member reached 24 years of service credit *as though they elected to participate at 24 years.*

Example 2) If a dispatcher works to 30 years of service, they can elect a lump sum payment from 1 to 60 months since they will not go below 25 years of service credit. So if the member elects a 60 month lump sum payment, the monthly retirement benefit and lump sum payment will be calculated based on the service and salary when the member reached 25 years of service credit *as though they elected to participate at 25 years.*

Rollover Requirements

Upon termination of employment and election to participate, the Plan will automatically issue ALL Reverse DROP benefits into a 401(a) Public Safety Personnel Defined Contribution Retirement Plan (PSPDCRP or DC Plan) administered by Nationwide Retirement Solutions. A.R.S. § 38-885.01(J).

IMPORTANT: If the members account is required to be divided with an alternate payee pursuant to a Domestic Relations Order (DRO), or other court Order, since the **taxable and non-taxable** portions of the Reverse DROP benefit are required to be sent to Nationwide, CORP will continue to direct the **entire taxable and non-taxable Reverse DROP benefits** to Nationwide – and will also advise Nationwide of the amount awarded to each party A.R.S. §§ 38-885.01(J) and 38-910.

Salary

Salary means the base salary, shift differential pay, military differential wage pay and holiday pay paid a member for personal services rendered in a designated position to a participating employer on a regular monthly, semimonthly or biweekly payroll basis. Salary does not include payment for any remuneration or reimbursement other than as prescribed by this paragraph. For the purposes of this paragraph, "base salary" means the amount of compensation each member is regularly paid for personal services rendered to an employer before the addition of any extra monies, including overtime pay, shift differential pay, holiday pay, fringe benefit pay and similar extra payments. A.R.S. § 38-881(43).
